

Vidi speciosam / Quae est ista

P. de Manchicourt

Vidi speciosam, sicut columbam, ascendentem desuper rivos aquarum, cuius odor vestimentorum erat sicut flores rosarum et lilia convallium.

Quae est ista, quae processit quasi aurora consurgens, pulchra ut luna, electa ut sol, terribilis ut castrorum acies ordinata? Alleluia.

I saw a beautiful lady, like a dove rising above streams full of water, the fragrance of whose garments was like roses and lilies of the valley.

Who is that woman who comes forth as the rising dawn, fair as the moon, outstanding as the sun, terrible as an army in battle array? Alleluia.
